General Guidelines

The Scholastic Clay Target Program (SCTP®) is a program of the Scholastic Shooting Sports Foundation (SSSF) through which gun clubs, shooting facilities and other organizations committed to the development of young adults can provide these individuals with opportunities to participate in organized, adult supervised trap, skeet and sporting clay activities including the international games of Olympic Trap and I.S.S.F. Skeet. The SSSF in cooperation with the National Shooting Sports Foundation (NSSF), the Amateur Trapshooting Association (ATA), the National Skeet Shooting Association (NSSA), the National Sporting Clays Association (NSCA) and USA Shooting (USAS), has exposed thousands of individuals in grades 12 and under to the positive experience of the shooting sports.

The SCTP is more than just another shooting program. The SCTP is designed to instill in young people a set of personal values and character traits that teaches fair play, compassionate understanding, individual responsibility, sportsmanship, self-discipline, and personal commitment - qualities necessary to become successful and contributing members of society.

Competition is a part of the SCTP, but it is not the program's underlying principle. The "win-at-all-costs" philosophy has no place in the SCTP. Striving to win while playing by the rules does. It is the duty of everyone involved in the SCTP (advisors, coaches, parents and participants) to be role models for SCTP team members to emulate by upholding high moral and ethical standards of personal conduct.

SCTP activities are designed to incorporate two indispensable elements - SAFETY AND FUN. SAFETY is incorporated into ALL facets of SCTP activities. Team practices and competitive shoots include the element of FUN for all participants. SCTP participants learn the safe and responsible handling and use of firearms. They discover the joy of contributing to a shared team goal and the commitment that goes along with it. During this self-discovery process team members develop proficiency in a sport that can be shared and enjoyed with family and friends for a lifetime.

All Volunteers (Coaches, Adult Volunteers, and State Advisors)

Our Volunteers are the linchpin of the SCTP and play a pivotal role in the personal development of their athletes by promoting the principles of the SCTP. Volunteers perform a variety of functions to support SCTP activities for which the SSSF is indeed very grateful. The following guidelines identify what is expected from all SCTP Volunteers.

Volunteers MUST:

1. Be 21 years of age or older. A Junior Assistant Coach can be age 16-20 and must be approved by the Head Coach.
2. Work cooperatively with youth, families, SCTP National Staff, range operators, event organizers, and others in a mature, courteous and respectful manner. (The SSSF does not get involved with the day to day operations of your team/volunteers)
3. Be a positive role model by exhibiting good sportsmanship, promoting fair play, showing compassion, and demonstrating a personal commitment to the SCTP's mission of youth development.
4. Know their state firearms laws and what the legal requirements are for participation.
5. Agree to a secure yearly background check to protect and promote the integrity of the SCTP.
6. Know the rules for handling and using firearms safely and can demonstrate them. It goes without saying that this is absolutely necessary and is demanded at every session where firearms are used or are present.
7. Know, respect and adhere to the SCTP Rules (published in the SSSF's *SCTP Official Handbook*) and ensure that all participants know and follow the rules of the SCTP.
8. Promote a safe, friendly, and fun-filled positive learning environment conducive to the development of all athletes registered in the program.
9. Provide close supervision and personal attention at all times when participants are handling firearms or are in an area where firearms are being stored or used.
10. Agree that teams will not be allowed to participate in SCTP activities without their coaches or other registered, qualified and responsible volunteer on-site. A head coach **must** designate another SCTP registered volunteer if they cannot attend.
11. Conduct practices on a regular basis. (Min. of 6 documented)
12. Know the established emergency plans of the club or facility.

13. Agree that the following behavior should not be tolerated by any individuals (including but not limited to athletes, parents, coaches, officials, advisors, and adult volunteers) associated with the SSSF's SCTP. Violation of this policy can constitute grounds for disciplinary action, including dismissal, as a volunteer from the SCTP program:
- Offensive language or obscenities.
 - Verbal or physical actions or neglect that might bring emotional, psychological or physical harm or humiliate any individual (this includes failing to provide adequate safety measures and care or supervision).
 - Sexual harassment, sexual exploitation, or other actions of a sexual nature.
 - Discrimination due to race, color, national origin, religion, sex, age, disability or sexual orientation.
 - Consuming or condoning the use of alcohol or illegal drugs before or during SCTP events or being in possession of or under the influence of alcohol or illegal drugs.
 - Other behavior deemed inappropriate by the SCTP National Office or violates state or federal laws.
14. Take and complete the *DOUBLE-GOAL COACH COURSE*, which is included in your registration fee.

State Advisors

State Advisors play a critical role in SCTP shooting activities within their respective states. State Advisors promote the principles of the SCTP and act in the program's best interests. They are also the program's "Resource Central" for their states. Advisors respond to inquiries about SCTP in-state activities, provide team coaches, shooting facilities and other organizations hosting SCTP teams with important program information and encourage participation among those facilities and organizations not currently hosting teams.

State Advisors perform a variety of functions to support SCTP activities for which the SSSF is grateful! The following guidelines are provided to identify what is generally expected of all SCTP State Advisors.

State Advisors adhere to the guidelines of all Volunteers above and, in addition MUST:

1. Be at least a Level 1 USAS/NRA/CMP Coach and have been involved with SCTP for a minimum of four (4) years, of which two (2) of those years as a SCTP Head Coach.

All volunteers registered with the SCTP serve strictly as a volunteer and that service is solely at the discretion and pleasure of the SSSF. Volunteers agree that SCTP National Headquarters may, at any time and for whatever reason, terminate a volunteer's service. In the same manner, a volunteer may decide him or herself to terminate his or her service at any time for whatever reason.

- Participation as an advisor, coach or adult volunteer in the SCTP shall not create or be misrepresented as creating any employment, independent contractor, partnership, agency or any other relationship between the volunteer and the SSSF or any of its affiliated companies.
- Other behavior that is deemed inappropriate by the SCTP National Office or violates state or federal laws.

A Volunteer's involvement in the SCTP shall be strictly as a volunteer whose service is solely at the discretion of the SSSF / SCTP National Headquarters. Volunteers agree that SCTP National Headquarters may at any time, for whatever reason, terminate a volunteer's service. In the same manner, a volunteer may decide him or herself to terminate his or her service at any time for whatever reason.

A Volunteer's participation in the SCTP shall not create or be misrepresented as creating any employment, independent contractor, partnership, agency or any other relationship between the Volunteer and the SSSF or any of its affiliated companies.

A Volunteer may not solicit contributions or other assistance from third parties using SSSF's name. A Volunteer may, however, engage in solicitation activities in the Volunteer's own name or, with approval, the name of the Volunteer's gun club, shooting facility or other organization in order to support the team's SCTP activities.

Volunteers who fail to act in the best interests of the SCTP or who are found in violation of SCTP rules and policies, including these General Guidelines, shall be subject to disciplinary action, up to and including dismissal from the SCTP program.

Incidents of suspected or observed violations of these General Guidelines or other SCTP rules and policies by volunteers should first be reported in writing to the State Advisor. The Advisor will investigate the alleged offense and take corrective action if deemed necessary.

The SSSF will treat all written complaints of alleged or actual misconduct by volunteers seriously and will investigate such complaints promptly. False or malicious claims against volunteers will not be tolerated. Volunteers who are subject to disciplinary action will have the opportunity to appeal any disciplinary action taken against them by contacting the SSSF National Office in writing.
